# Musical Theatre Workshop

Dear parents,

Following on from the successful workshops in 2008, the school will be holding another Musical Theatre workshop in Bradninch on Sunday 1st February for children aged 5 and upwards.

The workshop will be based on the ever popular show and film, **Hairspray** and will include vocal and singing warm ups and exercises, drama games and dances which will lead into a small performance at the end of the session.

---

Workshop times will be confirmed when I have received application forms so I can split the groups according to age and ability. (I am hoping to hold two workshops this time for different ages)

The cost for the 1 ½ hour workshop will be £9.00 per child. The workshop is also open to children who do not currently attend the dance school.

The closing date for the return of forms will be Friday 23rd January.

Times for workshops will then be arranged and you will be contacted by phone.
