## Carnival Concerts

*Congratulations!*

Congratulations to the group of 16 senior students on successfully auditioning for Front of Curtain act at this year Carnival Concerts. We hope that you will support and watch them during the shows from 2<sup>nd</sup> to 14<sup>th</sup> October.

Well done to Catrin for gaining a place with her beautiful singing and we look forward to seeing other Fox King pupils performing with different clubs.

### Summer Show in July 2018

I have made the decision to book the Macmillan Theatre, Bridgwater for our biannual show in July 2018. This was an extremely difficult decision for me as we have used the Town Hall for many years and have made great memories there. It is in close proximity to the studio and is in the centre of town and the staff have been extremely supportive of the school whilst we are there. However the Macmillan boasts a large stage area, in house technical support, parking and modern changing facilities. Please note these important dates!

Rehearsal and show week - Monday 16<sup>th</sup> to Sunday 22<sup>nd</sup> July 2018

### All Stars

32 students are enrolled on this years All Stars programme which offer monthly classes and workshops in subjects not available on the schools timetable. So far they have taken acrobatic, musical theatre, contemporary, ballet, tap, jazz and street technique workshops!

Information will be available for the new course shortly.

**Membermeister Invoicer Programme**

Correspondence will go to from September onwards.

Fox King are going digital! We will be switching to an online invoice system over the summer holidays. Membermeister is used by dance schools and gyms throughout the country. It will revolutionise the way that invoicing works for the staff at the school and will give us more time to concentrate on fun things such as workshops, trips and parties! The main change for you will be that all correspondence ( i.e. invoices, receipts for monies received, exam forms, newsletters, letters for workshops and performance opportunities) will be sent via email. Messages about cancelled or rescheduled lessons will also be sent via email and if at the last minute via computer generated text messages.

Fees and other payments will still be able to be made by cash, cheque or faster payments by internet banking. Standing orders for larger invoices will remain as well.

Parents need an email address that is checked regularly. It is vital that you fill in this form by 17th July so we can update information on the new system ready for September. We find on a daily basis that parents have changed their email address and we are not informed so please can this be filled in even if you think we have your correct details.

Many thanks for your support during this time.
